

Wetlands Discovery Center Workshops

Homeschool Field Trips

Looking for educational and fun opportunities for your child? On the 4th Wednesday of each month, have them experience a program specifically designed for homeschool students with hands-on activities and games. Register for each class by the Monday before the program.

Ages 5 & Up

\$6/child

Wed. Oct 26 @ 1-3 pm - Prairie

Wed. Nov 23 @ 1-3 pm - State Symbols

Wed. Dec 28 @ 1-3 pm - Astronomy

Wed. Jan 25 @ 1-3 pm - Birds

Map & Compass Skills

Before GPS, explorers used compasses and created paper maps when discovering new lands. Do you have what it takes to be a great trekker? Learn these skills so you too can take on the world old-school style.

5th Grade & Up

\$5/person

Sat. Sept 24 @ 4-5 pm

ALL programs start at the Wetlands Discovery Center located in the Aqua Center at 30 N. Orchard.

Merit Badge - Environmental Science

Whether you are going for Eagle or just interested in the environment, you don't want to miss this program. Vocabulary, timelines, experiments, field study & reports are all part of this activity-packed day. Bring a snack, you may get hungry.

Ages 11 & Up

\$ 8/person

Fri. Nov 11 @ 10 am - 1 pm

(This is Veterans Day)

Open House

Check out all the wonderful materials that the Wetlands Discovery Center has to offer without a structured program. We will have the IDNR loan kits, energy bike, Field Packs and more on display for the WHOLE family to enjoy.

ALL Ages

FREE

Sat. Oct 22 @ 10 am - 3 pm

Staffing is provided by ME4E

Call 708-748-2005 to register!
