

# SUMMER READING PROGRAMS AVAILABLE FOR YOUR LIBRARY

Are you dreaming of "A Midsummer Knight's Read" or enjoying "One World, Many Stories" this summer during your reading programs? Check out this sample of programs ME4E can lead at your library. Even if you created your own theme for 2010, we create customized, fun-filled and hands-on programs your patrons will love.

## **MEDIEVAL MAGIC**

Water that defies gravity & liquids that change color right before your eyes are just a few tricks scientists performed back in ye olde days. You too will be able to amaze both commoners and royalty alike after this mesmerizing program.

Great for ages 7 and up

## **JOUST NOT!**

Teamwork is the only way knights in training will survive this program. Several challenges will be put before the group including Capture the Dragon Egg. Will you come out victorious?

Great for ages 9 and up

## **IMAGINATORIUM**

In a time when most people had nothing, using ones imagination helped make their days bearable.

Using common, everyday items we will create games, instruments & art!

Great for ALL ages

## **WORLD TRAVELER**

Geography has never been so much fun! Play Continent Twister, Were Do I Live? and Pen Pal Mystery. Don't forget to bring your passport!

Great for ages 5 and up

## **X MARKS THE SPOT**

If you have a particular location, but having a hard time coming up with program ideas, this one's for you. Tell us your "spot" & age bracket and we will lead crafts, games & more with a nature zest.

From Albania to Zimbabwe we have you covered!

Great for ALL ages

## **HOW DO I GET THERE?**

GPS & compasses can help you get anywhere around the world, if you know how to use them. Indoors we can practice our compass skills, but an outdoor space is need for GPS. Please discuss your space us when scheduling.

Great for ages 9 and up

Most programs run about an hour and are \$40 per group. Dates are limited, so contact us today to check for availability.
